# 10 YEARS WARRANTY

We grant the following warranty for membrane quality

DRAFT

Henric Leuer  
Director  
Business Segment duraskin®

1. The warranty covers the durability and usability of the membrane fabric. According to the present state of technology a change in transparency and dirt retention cannot be avoided under the given environmental conditions and does not justify a warranty liability.
2. In the case of defects within the named period under normal use which can be proved to have been caused by the material and which restrict usability we accept liability for replacement of the faulty material (coated fabric) free of charge to the exclusion of any wider claims.

<b>1<sup>st</sup> year</b>	<b>Full guarantee of the material</b>
<b>2<sup>nd</sup> year</b>	<b>Full guarantee of the material</b>
<b>3<sup>rd</sup> year</b>	<b>Full guarantee of the material</b>
<b>4<sup>th</sup> year</b>	<b>65 % reimbursement of the material</b>
<b>5<sup>th</sup> year</b>	<b>55 % reimbursement of the material</b>
<b>6<sup>th</sup> year</b>	<b>45 % reimbursement of the material</b>
<b>7<sup>th</sup> year</b>	<b>35 % reimbursement of the material</b>
<b>8<sup>th</sup> year</b>	<b>25 % reimbursement of the material</b>
<b>9<sup>th</sup> year</b>	<b>15 % reimbursement of the material</b>
<b>10<sup>th</sup> year</b>	<b>5 % reimbursement of the material</b>

We accept no liability for consequential damage over and above this.

3. The warranty is granted on condition that
  - a) processing was carried out according to the present state of technology
  - b) any damage discovered is reported to us in writing immediately
  - c) we are given the opportunity to examine the defect on the spot before it is eliminated.
4. Defects in part of a delivery do not justify a complaint claim for the total order.
5. No liability is accepted for the membrane quality
  - for improper treatment
  - in the case of alterations or repairs on the material supplied by us without our previous written authorisation
  - for the effects of pollution, chemicals, solvents and detergents or other substances which can damage the material
  - for effects of vandalism, mechanical violence and improper maintenance
  - for effects caused by improper storing, packaging, transportation and installation
  - in the case of deterioration as a result of faulty installation, incorrect pretension or faulty production of relevant construction parts
  - for faults caused by extreme weather conditions including high winds or by accident, natural disasters or force majeure
  - if seams and joints have been completed improperly
  - for a reduction in tensile strength in the course of time above customary degradation factor
  - for a reduction in tensile strength caused by improper pretension
  - for any damage of the top coat caused by improper folding or handling
  - for defects as a result of repeated installation and dismantling of the construction and interim storage of the material
  - in the case of infestation by micro-organisms and a resulting change in the coating, promoted by external influences or condensation because of unsuitable air circulation
  - in the case of deactivation of the microbial finishing through contact with sulphurous compounds such as kerosene
6. Moreover every warranty is under the proviso of the full payment of invoices for the goods delivered.
